UniCredit Leasing's CEO Massimiliano Moi Joins Leaseurope's Board

BRUSSELS, 15 January 2010 – Leaseurope, the trade body representing leasing and automotive rental at European level, is delighted to welcome Massimiliano Moi, CEO of UniCredit Leasing as a new member of its Board of Directors.

Commenting on this new appointment, Rüdiger von Fölkersamb, Leaseurope's Chair, said that "it is a real strength for Leaseurope to have a Board consisting of senior practitioners and to be able to benefit from their strategic guidance and experience. The joining of M. Moi will undoubtedly contribute in strengthening the representative voice of the leasing and automotive rental industries in Brussels and further afield especially in the current environment."

"Although a Federation of Member Associations, Leaseurope benefits immensely from its Board consisting of CEOs of major leasing and rental companies. This is because of the support they provide, their cross-border view of things and the expertise they can make available to the Federation in case of need" said Leaseurope's Director General Tanguy van de Werve.

Massimiliano Moi commented "I am delighted to join Leaseurope's Board of Directors at such a crucial time for Europe's leasing and automotive rental industries. I look forward to working with my peers from across Europe and to being part of a flexible and efficient organization with such a good track record."

Massimiliano Moi, an Italian national, is currently Chief Executive Officer of UniCredit Leasing. He has held a number of managing positions in key sectors of the financial services market over the past 12 years. Massimiliano Moi is taking over from Lamberto Cioci, Vice-Chair of the Italian Leasing Association ASSILEA.

About Leaseurope

As a Federation, Leaseurope brings together associations throughout Europe that represent either the leasing, long term and/or short term automotive rental industries. The scope of products covered by Leaseurope's members ranges from hire purchase and finance leases to operating leases of all asset types (automotive, equipment and real estate) and also includes the rental of cars, vans and trucks.

It is estimated that Leaseurope represents approximately 96% of the European leasing market. In 2008, 330 billion euros of new leasing volumes were granted by the firms represented through Leaseurope's members, contributing to financing on average 18% of total European investment. Moreover, these firms are responsible for the leasing and rental of around 16 million cars throughout Europe.

Leaseurope's Board of Directors is comprised of the following 12 persons:

Chair: Rüdiger von Fölkersamb, Board member, Deutsche Leasing
